

One Pager Directions

A one pager is a way to visually share key ideas and information from what you have learned. When you create a one pager, you are trying to use both visual symbols and important words to clearly and concisely share your most important takeaways with someone else.

For this one pager, I've provided you with a template.

Here's what it **MUST INCLUDE**:

- A border that represents the key characters from the reading through words and/or images
- A look at the author's style in the upper left hand corner, including some short quotations
- An image or set of images in the upper right hand corner that represent an important symbol in the work
- Images and words across the middle that represent the key themes of the work
- The bottom section should show images and words that connect the text to other texts, movies, history, or modern day life. Please include at least three quotations.

You may also add other symbols, drawings, and words that represent the reading as you wish.
